Memo to File:

RE: Inspection of The Redd Block
Four Mine
Union Carbide (UMETCO)
ACT/037/046
San Juan County, Utah

In preparation for final completion of the review of Union Carbide's uranium mine sites in Utah, Division members Wayne Hedberg, Sue Linner and Tom Tetting inspected the Red Block Four Mine on April 10, 1984. No new work has been attempted since the last inspection. Revegetation has stabilized all excavations. No problems appear to be present.
